Welcome to St Clair Golf Club

Nestled on the cliffs above Dunedin's beautiful St Clair Beach, St Clair Golf Club enjoys a spectacular location offering quality golf and world class views of the Pacific Ocean, its beaches and the beautiful city of Dunedin.

St Clair has staged numerous international and national events during its illustrious history. It has played host to the New Zealand Open and international golfing stars and major winners including Sir Bob Charles, Seve Ballesteros and Johnny Miller have graced our fairways.

Our club is proud to be the current home to the Men's and Women's South Island Stroke Play Championship, a prestigious annual event featuring many of the country's leading amateur players.

The magnificent course is complemented by equally impressive practice facilities including a driving range, chipping green with practice bunkers and putting green.

Our resident professional offering game improvement lessons and a fully-stocked Pro Shop complete an exceptional all-round golfing experience.

The clubhouse offers a home from home off the course to our friendly and thriving membership and makes a wonderful venue for functions and special occasions of all kinds, as well as for business meetings and conferences. We are also a popular choice for corporate groups looking for good quality, professionally-managed golf days at affordable prices.

A Brief History

St Clair Golf Club has been providing top quality facilities and events to golfers for more than a century. Established by Messrs T.J. Collins and J.W. Fotheringham, the club celebrated its centenary in 2005.

The course has undergone several changes over the years, but the last significant improvements made in 1962 have left it with a highly-rated course of which its members can be proud.

St Clair hosted its first national event in 1967, when the interregional teams' championship for the Freyberg Rosebowl was played on the course. It was to be the first of many prestigious events.

The club's annual 72-hole Dunedin Amateur Strokeplay Championship, which also doubles as the South Island Strokeplay Championship, regularly features many of the best players in the country.

The most notable period historically for the club undoubtedly came in the 1970s. For nine years from 1970, St. Clair was the venue for the longest-running multi-sponsored professional tournament in New Zealand, the Otago Charity Classic.

The event featured some stellar fields including some of the world's greatest golfers. Peter Thomson, Bob Charles, Johnny Miller, Billy Casper, Sam Snead and Severiano Ballesteros (who set a new course record in 1977) are among the famous names to have played at St Clair.

The club also hosted the 1979 New Zealand Open, which was won by Australian Stewart Ginn.

Fancy making some history of your own? Then give the Pro Shop a call and book yourself a round!

The Course

Nestled on the cliffs above the beautiful St Clair Beach, the course offers spectacular views of the city and the rugged southern coastline.

With five sets of tees and constantly changing pin positions, the St Clair golf course offers a unique challenge for all skill levels, whether it is staging the South Island Stroke Play Championships or playing host to a casual group of golfing friends.

At under 6,000 metres, it is not as long as some of the modern monsters, but that makes it no less of a challenge, with the NZ Course Rating from the black championship tees actually higher than the par of 71.

Women play a par-74 layout, playing three of the tougher par-4s for the men – the 3rd, 11th and 12th – as par-5s.

While the front nine is arguably the easier of the two nines, there is plenty to keep all golfers on their toes throughout. The undulating nature of the greens will test any player's putting abilities to the full and on days when the sea breeze is blowing the course takes on a totally different character.

Whatever the weather, any round at St Clair is one to savour, with a setting up there with the very best New Zealand has to offer. Several of the holes come close to the Pacific Ocean, with some of the views down the coastline (particularly from the 14th green and 15th tee) simply breathtaking.

Even on the days when the putts refuse to drop, this is a course that will leave you wanting to come back for more.

Pro Shop

The dedicated team in the Pro Shop is on hand seven days a week to help golfers enjoy their game to the full.

With knowledgeable, friendly and helpful staff, members and guests are offered a personable service at an unbeatable price. Customers receive the highest level of professional advice and an expert custom fitting service is offered to ensure that they can make sound buying decisions and know they are investing in the right equipment to help them get the most from their game.

There is a wide selection of clubs in stock from many of the leading manufacturers. Prices are competitive and specific brands or models of club can be sourced for customers on request if they are not immediately available.

The Pro Shop offers a wide range of products which include clubs, balls, fashionable clothing, shoes, gloves, trolleys, bags and much more, in fact just about everything you would need to enjoy a day out on the course.

There are carts and pull trolleys available to hire for those wishing to save their energy for their golf, as well as good quality sets of clubs. A fast and efficient club repair service is also available.

Whatever your needs, we would be happy to help. Call the Pro Shop on **(03) 487 9201.**

Coaching

St Clair has a wonderful championship course. Wouldn't it be nice to have a golf game to match in order to be able to enjoy this majestic layout to the full?

Help is close at hand – simply book a lesson with the club's highly-rated NZPGA-qualified teaching professional Neil Metcalfe and transform your game.

The club's teaching pro is available by appointment to work on any areas of a golfer's game. Focus is given to the fundamentals, with clear communication and concise instruction helping to achieve the desired results. Video analysis is available if required.

Improving golfers find they play more as their confidence and enjoyment level grows, meaning they reap the full benefits of their membership.

Fancy learning golf with your mates? Get a group together and make a booking. It's a great way to learn the game, is fun and also a very cost-effective way of accessing golf tuition. The club also has regular clinics for beginners focusing on the basics and other clinics targeting specifics such as better putting, chipping and bunker play and how to play trouble shots.

On-course playing lessons are available, covering among other things game management and mental skills and offering an invaluable insight into how a professional thinks his or her way around the course.

The club has excellent practice facilities for those wishing to work on their game, including a driving range with distance markers, chipping green with bunkers and a putting green, as well as warm-up nets and an indoor coaching facility.

To book your lesson now, give the Pro Shop a call on **(03) 487 9201** or email **pro@stclairgolf.co.nz**

Members' Golf

St Clair is an excellent choice of club to belong to for members seeking competitive golf in all its forms, with pennant fixtures, many trophies to battle for each year in the club's own prestigious competitions and much social and more relaxed golf on offer.

Men, women and juniors can all enjoy a full programme of competitive golf, with all sections entering teams in the annual pennant competitions run by Otago Golf.

St Clair has a longstanding tradition of golfing excellence and our club's golfers are often selected to represent Otago in regional competition, an honour both for them and our club.

The club calendar itself is crammed with events for members. There are the traditional monthly medals or Stableford competitions, together with a number of honour board events with accompanying trophies featuring play in a variety of formats – strokeplay and matchplay, pairs events and those for the individual.

But while there is plenty to stimulate the competitive golfer, the club likes to strike a balance and there are numerous opportunities for the social golfer, where the emphasis is less on winning and more about enjoying the game we all love in the company of like-minded friends.

Take, for instance, twilight golf on Monday and Tuesday evenings during daylight saving. Many St Clair members would argue that enjoying golf as the sun sets, with the city and Pacific Ocean as a stunning backdrop, followed by a refreshing drink out on the deck surrounded by one's playing partners is about as good as it gets in golfing terms.

Junior Golf

St Clair prides itself on being a family-friendly club and provides a safe and supportive environment in which children can learn the game. We value and nurture our junior golfers who, after all, and are the next generation of club captains, pennant players, volunteers and committeemen and women who will help shape the future of our club and ensure it continues to thrive.

The club hosts junior coaching on Thursday nights and there are also programmes scheduled during the school holidays.

The emphasis at St Clair is very much on having fun and youngsters will love the friendly atmosphere here. They will instantly feel at ease, forming a bond with the Club, which for many will last a lifetime.

Golf is the perfect family sport and the handicap system means everyone can be competitive on any given day whatever the actual level of their ability. It teaches life skills, too, such as playing by the rules, etiquette and manners and respect for one's peers.

The other good news for juniors is that membership at St Clair is fantastic value, equating to less than a couple of dollars a week for the under-19s.

Those who show a real aptitude are given every encouragement to go on and realise their golfing dreams should they wish to pursue the sport at a higher competitive level. The club has a junior pennant team and many of our younger players compete in events across New Zealand and even overseas.

For more information about our junior programme, please call the Pro Shop on (03) 487 9201.
